

## Volcano Art Prize 2016 Entries – each ready for your Lead Safe World Poster!

We're very proud to present here the 78 entries in Volcano Art Prize (VAP) 2016.

An excellent action you can take for the fourth International Lead Poisoning Prevention Week of Action (23<sup>rd</sup>-29<sup>th</sup> October 2016) is to order a Lead Safe World Poster at [www.lead safeworld.com/shop](http://www.lead safeworld.com/shop) and have it displayed at your GP or vet clinic, childcare centre, school, university, workplace, gun club or at home 'cos you like the picture! Any VAP Entry can be made into a poster! Even the ones from VAP 2012 to 2015 at <http://volcanoartprize.com/vap-archive/> and the following 10 webpages.

With your creative input to Volcano Art Prize 2017, eventually we'll have a Lead Safety Poster for every situation. Be inspired by the examples here which are already up and on display, spreading the word!

These Lead-Safety Poster URLs:

1. Test for lead and other heavy metals with a LEAD Group Kit before you buy property  
For Sale Sign slide - <http://volcanoartprize.com/portfolio-item/entropy-1/>
2. The most important lead test at any age, is a blood lead test - ask your doctor  
<http://volcanoartprize.com/portfolio-item/our-children-heading-for-a-lead-free-society/>
3. You can test for many possible sources of lead in a pet's environment with a LEAD Group lab kit  
<http://volcanoartprize.com/portfolio-item/dont-let-animals-health-go-down-like-a-lead-balloon/>
4. Be lead-safe when you grow your own food!  
Marrickville Council Sustainability Grant Poster - [www.lead safeworld.com/product/lead safeworld-poster/](http://www.lead safeworld.com/product/lead safeworld-poster/)

If you'd like to order any entry from VAP 2016 (or earlier VAPs) to be made into a colour A3 laminated Lead Safe World Poster, please order and pay \$15 at [www.lead safeworld.com/shop](http://www.lead safeworld.com/shop) and then copy the URL for the entry so you can paste it into the Order Notes section at Checkout. The Poster will make an excellent gift for family, friends to take to their GP or vet clinic, school, childcare centre, etc.

Artist's Name: Harla, Harry & Carla  
Title of Image: Don't Let Animals Health Go Down Like a Lead Balloon  
Lead-Safety Message: You can test for many possible sources of lead in a pet's environment with a LEAD Group lab kit  
Materials: Oil paint on canvas  
URL:  
<http://volcanoartprize.com/portfolio->

URL:  
<http://volcanoartprize.com/portfolio-item/aurukun-shooter-with-spoonbills-barramundi-mixed-tucker-bag/>

Artist's Name: Celeste Chen  
Title of Image: Red Frog on a Lily Pad  
Lead-Safety Message: Keep frogs happy  
- keep lead out of the pond  
Materials: Colouring pencils on paper  
URL:  
<http://volcanoartprize.com/portfolio-item/red-frog-on-a-lily-pad/>

Artist's Name: William Nguyen  
Title of Image: Orange and blue frog on a lily pad  
Lead-Safety Message: Frogs take up toxins through their skin - keep your pond lead-free  
Materials: Colouring pencils on paper  
URL:  
<http://volcanoartprize.com/portfolio-item/orange-and-blue-frog-on-a-lily-pad/>

Artist's Name: William Nguyen  
Title of Image: Green and orange water dragon  
Lead-Safety Message: Keep the sea lead-free – you never know what is living there.  
Materials: Colouring pencils on paper  
URL:  
<http://volcanoartprize.com/portfolio-item/green-and-orange-water-dragon/>

Artist's Name: William Nguyen  
Title of Image: Vivid green Sydney Opera House & sunset on Harbour Bridge  
Lead-Safety Message: The Sydney Harbour Bridge is having its lead paint removed safely.  
Materials: Colouring pencils on paper  
URL:  
<http://volcanoartprize.com/portfolio-item/vivid-green-Sydney-Opera-House-&-sunset-on-Harbour-Bridge/>

Artist's Name: William Nguyen  
Title of Image: Sailing boat  
Lead-Safety Message: Most boats were painted with lead paint in the old days.  
Materials: Colouring pencils on paper  
URL:  
<http://volcanoartprize.com/portfolio-item/sailing-boat/>

Artist's Name: Mark Ju  
Title of Image: Teddybear  
Lead-Safety Message: Take your teddybear when you go to get your blood taken for a blood lead test.  
Materials: Colouring pencils on paper  
URL:  
<http://volcanoartprize.com/portfolio-item/teddybear/>

Artist's Name: Mark Ju  
Title of Image: White rose  
Lead-Safety Message: Luckily the lead pencil in my background has no lead in it.  
Materials: Colouring pencils and lead pencil on paper  
URL:  
<http://volcanoartprize.com/portfolio-item/white-rose/>

---

Artist's Name: Mark Ju  
Title of Image: Lilies  
Lead-Safety Message: Lead pencils used to have lead in them, but now they have graphite.  
Materials: Colouring pencils and lead pencil on paper  
URL:  
<http://volcanoartprize.com/portfolio-item/lilies/>

---

Artist's Name: Mark Ju  
Title of Image: Siamese fighting fish (Betta fish)  
Lead-Safety Message: In Vietnamese rice paddies where Betta fish live, they need to keep lead bullets out of their water.  
Materials: Colouring pencils on paper  
URL:  
<http://volcanoartprize.com/portfolio->

[item/Siamese-fighting-fish-or-Betta-fish/](#)

---

Artist's Name: Mark Ju

Title of Image: Green frog with lotus flower

Lead-Safety Message: When it rains, don't let lead paint or dust be washed into the stormwater.

Materials: Colouring pencils on paper

URL:

<http://volcanoartprize.com/portfolio-item/green-frog-with-lotus-flower/>

---

Artist's Name: Mark Ju

Title of Image: Lighthouse

Lead-Safety Message: New lighthouses in Australia are coated in non-lead paint but watch out for old ones.

Materials: Colouring pencils on paper

URL:

<http://volcanoartprize.com/portfolio-item/lighthouse/>

---

Artist's Name: Mark Ju

Title of Image: City buildings touch the sky

Lead-Safety Message: Old city buildings in Australia can have lead and asbestos in them but new ones don't.

Materials: Colouring pencils on paper

URL:

<http://volcanoartprize.com/portfolio-item/city-buildings-touch-the-sky/>

Artist's Name: Mark Ju

Title of Image: Toucan

Lead-Safety Message: If two continents can phase out lead paint, everyone can. Australia 2010, Africa 2020 – which continent is next?

Materials: Colouring pencils on paper  
URL:

<http://volcanoartprize.com/portfolio-item/toucan/>

Artist's Name: Mark Ju

Title of Image: Hot air balloons

Lead-Safety Message: Make sure your child is not weighed down by lead – let them reach their potential.

Materials: Colouring pencils on paper  
URL:

<http://volcanoartprize.com/portfolio-item/hot-air-balloons/>

Artist's Name: Li-Ke Shi

Title of Image: Blue spotted frog and red crab

Lead-Safety Message: Frogs and crabs need lead-free water

Materials: Colouring pencils on paper  
URL:

<http://volcanoartprize.com/portfolio-item/blue-spotted-frog-and-red-crab/>

Artist's Name: Li-Ke Shi  
Title of Image: Husky  
Lead-Safety Message: Never feed your dog meat that's been shot with lead bullets  
Materials: Colouring pencils on paper  
URL:  
<http://volcanoartprize.com/portfolio-item/husky/>

Artist's Name: Li-Ke Shi  
Title of Image: Duck, duckling, fish & bulrushes  
Lead-Safety Message: Ducks need to eat stones so they can digest their food. Don't let lead shot or bullets get into their water.  
Materials: Colouring pencils on paper  
URL:  
<http://volcanoartprize.com/portfolio-item/duck-duckling-fish-&-bulrushes/>

Artist's Name: Li-Ke Shi  
Title of Image: Koala  
Lead-Safety Message: Koala's can be lead poisoned if they live in gum trees near busy highways.  
Materials: Colouring pencils on paper  
URL:  
<http://volcanoartprize.com/portfolio-item/koala/>

Artist's Name: Li-Ke Shi  
Title of Image: Sydney Harbour Bridge & Opera House reflected in Sydney Harbour  
Lead-Safety Message: Protect harbour sediments from lead when repainting bridges. Lead from the paint poisons the bottom-feeders.  
Materials: Colouring pencils on paper  
URL:  
[http://volcanoartprize.com/portfolio-item/Sydney-Harbour-Bridge-&-Opera-House-reflected-in-Sydney-](http://volcanoartprize.com/portfolio-item/Sydney-Harbour-Bridge-&-Opera-House-reflected-in-Sydney-Harbour/)

[Harbour/](http://volcanoartprize.com/portfolio-item/Sydney-Harbour-Bridge-&-Opera-House-reflected-in-Sydney-Harbour/)

---

Artist's Name: Li-Ke Shi  
Title of Image: Sleeping cat by the fire with fish in the food bowl  
Lead-Safety Message: I keep my cat happy with healthy food and a clean warm bed.  
Materials: Colouring pencils on paper  
URL:  
<http://volcanoartprize.com/portfolio-item/Sleeping-cat-by-the-fire-with-fish-in-the-food-bowl/>

Artist's Name: Alex Weng  
Title of Image: Cat sleeping on the grass  
Lead-Safety Message: Cats lick their fur so make sure they don't lie on lead-contaminated soil. Use a LEAD Group Kit to test any bare soil.  
Materials: Colouring pencils on paper  
URL:  
<http://volcanoartprize.com/portfolio-item/cat-sleeping-on-the-grass/>

Artist's Name: Alex Weng  
Title of Image: Dolphins soaring  
Lead-Safety Message: Dolphins eat fish, sea birds and sea mammals so keeping lead and mercury out of the sea means healthier dolphins.  
Materials: Colouring pencils on paper  
URL:  
<http://volcanoartprize.com/portfolio-item/dolphins-soaring/>

Artist's Name: Alex Weng  
Title of Image: Sydney Opera House on Sydney Harbour  
Lead-Safety Message: I hope any lead in these shiny white and matt cream glazed ceramic tiles never gets into the harbour.  
Materials: Colouring pencils on paper  
URL:  
<http://volcanoartprize.com/portfolio-item/sydney-opera-house-on-sydney-harbour/>

Artist's Name: Alex Weng  
Title of Image: Striped orange sea dragon  
Lead-Safety Message: Even sea life that is rarely or never seen needs a lead-safe home.  
Materials: Colouring pencils on paper  
URL:

<http://volcanoartprize.com/portfolio-item/striped-orange-sea-dragon/>

Artist's Name: Alex Weng

Title of Image: Duck, duckling and bulrushes

Lead-Safety Message: If hunters use non-lead shot, these ducks won't die from lead poisoning if they swallow the shot when diving down to the mud.

Materials: Colouring pencils on paper

URL:

<http://volcanoartprize.com/portfolio-item/duck-duckling-and-bulrushes/>

---

Artist's Name: Caitlin Ngo

Title of Image: Butterflies with a pink flower

Lead-Safety Message: If lead dust falls on flowers butterflies will be poisoned when they drink the nectar.

Materials: Colouring pencils on paper

URL:

<http://volcanoartprize.com/portfolio-item/butterflies-with-a-pink-flower/>

---

Artist's Name: Creative Einstein Education (art school) students, Campsie NSW Australia

Title of Image: Remain curious

Lead-Safety Message: If we remain curious we can find out how to make our world lead-safe.

Materials: Colouring pencils on paper

URL: <http://volcanoartprize.com/portfolio-item/remain-curious/>

---

Artist's Name: William Nguyen  
Title of Image: Dog with doghouse  
Lead-Safety Message: You can test paint and soil for lead with a LEAD Group Kit, and keep your dog lead-safe.

Materials: Colouring pencils on paper  
URL:

<http://volcanoartprize.com/portfolio-item/dog-with-doghouse/>

---

Artist's Name: Mark Ju  
Title of Image: A drop of blood  
Lead-Safety Message: They only take half a teaspoon of blood when you go for a blood lead test.

Materials: Colouring pencils on paper  
URL:

<http://volcanoartprize.com/portfolio-item/a-drop-of-blood/>

---

Artist's Name: Brandon Banh  
Title of Image: Squirrel with oak tree and acorn

Lead-Safety Message: In the California condor's range the use of lead ammunition has been banned to hunt deer, wild pig, elk, pronghorn antelope, coyotes, ground squirrels, and other non-game wildlife, so that the condor's don't die of lead

poisoning when they eat the shot animals.

Materials: Colouring pencils on paper

URL: <http://volcanoartprize.com/portfolio-item/squirrel-with-oak-tree-and-acorn/>

---

Artist's Name: Brandon Banh

Title of Image: Yellow and blue bird

Lead-Safety Message: When lead ore dust filled the air in the port of Esperance in Western Australia, 9,000 birds died of lead poisoning, before the ore was shipped to China. This should never happen again – birds need to be protected from pollution.

Materials: Quilled non toxic coloured paper

URL:

[http://volcanoartprize.com/portfolio-](http://volcanoartprize.com/portfolio-item/yellow-and-blue-bird/)

[item/yellow-and-blue-bird/](http://volcanoartprize.com/portfolio-item/yellow-and-blue-bird/)

---

Artist's Name: Lola Hou

Title of Image: Dolphins and seaweed

Lead-Safety Message: Our oceans and beaches need to be clean – not polluted by lead-painted scuttled ships or lost lead fishing sinkers.

Materials: Colouring pencils on paper

URL:

[http://volcanoartprize.com/portfolio-](http://volcanoartprize.com/portfolio-item/dolphins-and-seaweed/)  
[item/dolphins-and-seaweed/](http://volcanoartprize.com/portfolio-item/dolphins-and-seaweed/)

---

Artist's Name: Alice Ju

Title of Image: Blue Ringed Octopus or BRO

Lead-Safety Message: Every octopus is venomous, but the Blue Ringed Octopus is lethal. Every heavy metal is toxic, but lead kills the most people, via heart attacks and stroke.

Materials: Non toxic acrylic on canvas board

URL: <http://volcanoartprize.com/portfolio-item/blue-ringed-octopus-or-BRO/>

---

Artist's Name: Alice Ju

Title of Image: Tiger – Even big cats get cataracts

Lead-Safety Message: Nearly half of all cataracts in humans are caused by lead exposure. Prevention is the best cure.

Materials: Non toxic acrylic on canvas board

URL:

<http://volcanoartprize.com/portfolio-item/tiger-even-big-cats-get-cataracts/>

---

Artist's Name: Arindam Bala

Title of Image: Sunset – it's in our hands

Lead-Safety Message: We need a sunset clause to eliminate lead in paint in India.

Description of Work: Canon EOS500D photo

URL:

<http://volcanoartprize.com/portfolio-item/sunset-its-in-our-hands/>

---

Artist's Name: Arindam Bala

Title of Image: Baby cot

Lead-Safety Message: Lead poisoning is a hidden killer. Is there lead in the varnish on the cot? Test it at a lab to find out. Better still, ask the doctor to test children's blood lead levels.

Description of Work: Canon EOS500D photo

URL: <http://volcanoartprize.com/portfolio-item/baby-cot/>

---

Artist's Name: Arindam Bala  
Title of Image: Birds in a town in Rajasthan India

Lead-Safety Message: Birds are beautiful. Can you please make sure our environment is lead free.

Description of Work: Canon EOS500D photo

URL:

<http://volcanoartprize.com/portfolio-item/birds-in-a-town-in-Rajasthan-India/>

---

Artist's Name: Arindam Bala  
Title of Image: Camel cart at sunset in Rajasthan India

Lead-Safety Message: Until there's a sunset clause on leaded aviation fuel globally, this traditional way of getting about is more lead-safe!

Description of Work: Canon EOS500D photo

URL:

<http://volcanoartprize.com/portfolio-item/camel-cart-at-sunset-in-Rajasthan-India/>

---

Artist's Name: Arindam Bala  
Title of Image: Rafting on a river in Rajasthan India

Lead-Safety Message: Don't leave paint flakes, plastic or other rubbish on the ground for stormwater to wash into the river. Keep your river cleaner for a lead-safe world.

Description of Work: Canon EOS500D photo

URL:

<http://volcanoartprize.com/portfolio-item/rafting-on-a-river-in-rajasthan-india/>

---

Artist's Name: Arindam Bala

Title of Image: Dust and smoke in Rajasthan India

Lead-Safety Message: Every time you burn something it adds more lead into the air. That's why The LEAD Group is part of the Global Alliance for Clean Cookstoves.

Description of Work: Canon EOS500D photo

URL:

<http://volcanoartprize.com/portfolio-item/dust-and-smoke-in-rajasthan-india/>

[india/](http://volcanoartprize.com/portfolio-item/dust-and-smoke-in-rajasthan-india/)

---

Artist's Name: Arindam Bala

Title of Image: Don't buy me leaded sparklers for Holi

Lead-Safety Message: Every time you burn something it adds more lead into the air. Ask the doctor to test children's blood lead levels before and after Holi. Don't buy leaded sparklers.

Description of Work: Canon EOS500D photo

URL:

<http://volcanoartprize.com/portfolio-item/don't-buy-me-leaded-sparklers-for-holi/>

---

Artist's Name: Ritishaa Sreedhar

---

Artist's Name: Ian Smith  
Title of Image: Internal wall mural  
Lead-Safety Message: As long as you get a competent contractor like Lets Clean in Sydney, to safely strip your lead paint, and then use non-lead paint, you can camouflage surface defects with a mural and AND be lead-safe!  
Materials: Various colours of leftover residential paint bought after 1997 (no added lead by law) on bare 1884 originally exterior wall filled-in and converted to an interior wall in the 1960s.

---

Artist's Name: Peter Larkin  
Title of Image: Sunrise on Sydney Harbour  
Lead-safety Message: Every speck of lead dust or paint that is washed into Sydney Harbour when it rains, affects the marine life and builds up in the sediment. Report dusty demolition work or flaking/sanding of old paint to the Environment Protection Authority.

Description of work: Photo taken with a Canon EOS 40D SLR camera.  
URL: <http://volcanoartprize.com/portfolio-item/sunrise-on-sydney-harbour/>

Artist's Name: SAL (Sydney Analytical Laboratories)

Title of Image: SAL is a Lead Safe World Partner

Lead-Safety Message: Sydney Analytical Laboratories (SAL) supports lead-safety in Australia by testing lead and other heavy metals in eggs, paint, water, dust, soil, toys, jewellery, etc and asbestos in building materials via LEAD Group Kits.

Materials: Photos collaged using Word and Paint.

---

Artist's Name: LeadPro  
Title of Film: LeadPro's "Green Machine" for Retrieving Lead Shot: See the Green Machine in Action  
Lead-Safety Message: Using a revolutionary process, the Green Machine extracts approximately 95 percent of lead shot from the ground.  
Description of work: Film  
URL: <http://volcanoartprize.com/portfolio-item/leadpros-green-machine-for-retrieving-lead-shot/>

---

Artist's Name: Monica Erosa  
Title of Image: Perspectives  
Lead-Safety Message: My piece represents the way we can all remain focused in our own personal worlds, limiting our awareness of the way we are contaminating the air, water, and soil as well as poisoning ourselves.  
Materials: Oil on canvas.  
URL:

<http://volcanoartprize.com/portfolio-item/perspectives/>

---

Artist's/Photographer's Name: Andrea Didik Photography  
Title of Image: I am one month old  
Aarav I am Papa's baby  
Lead-Safety Message: My parents organised blood lead testing before they tried to make me, and during the first trimester and at the birth the cord blood was tested. I'm going to have a wonderful lead-safe life.  
Materials: Photographs collaged together with Word and Paint
