Call for Volcano Art Prize 2019 Entries

It's a fun way to contribute to lead poisoning prevention, and you could win an award, a cash prize, or your entry printed on one of 30 mugs!

The deadline is midnight at the end of the day on **Monday 22nd July 2019**, so there is still time to get creative....

You could just go through your photos and choose a landscape-orientation A4 (rectangular) photo that's 1-3MB in size and for which you can create a Lead-Safety Message (words to inspire others to stay or become lead-safe or protect the environment from lead), then head to www.volcanoartprize.com/submitentry/ to upload it! Photos of artworks (as below) and short films (after you've web-published it) can also be entered.

If you're an adult in an OECD country, entry only costs AU\$10 but for every child and all other adults, entry is free! Winners are announced during ILPPWA 2019* in *LEAD Action News*.
